SPONSORSHIP PROSPECTUS

ABOUT THE CONFERENCE

'It takes a village' and SAACI Congress 2018 welcomes business events industry members to join the village by attending the flagship event of the business events calendar. The SAACI Congress 2018 will be held at Misty Hills in Johannesburg, South Africa, from 29 -31 July 2018.

Raise your game at SAACI 2018 - through learning, networking and communication. This congress brings together professionals from a variety of conference industry sectors including conference and event organisers, events management companies, service providers and industry stakeholders representing government, venues, destinations and more.

SAACI is focused on raising the bar in the business events industry across all member interactions and in so creating true, tangible value to our members and the greater industry in Southern Africa.

Following the success of the Sustainability Village at various industry events, we have decided to incorporate this innovative concept into the SAACI Congress 2018. Not only does it speak to this year's theme "It Takes a Village", but it also encourages responsible gifting. Each speaker and delegate will receive a gift voucher which they can spend at the on-site Sustainability Village. This enables them to choose from a selection of gorgeous, handcrafted, African-inspired items to find something that they will love and treasure for years to come, while providing local entrepreneurs the platform to market and sell their products.
